

External Reviews of the NH Juvenile Justice System

- ❖ **NH Juvenile Justice System Process Evaluation**, John A. Tuell, February 2012
 - This request was initiated in March 2011 by the Endowment for Health in partnership with DHHS leadership and relevant stakeholders to support enhancements to the ongoing formulation of a long-term plan for comprehensive juvenile justice system improvement.
- ❖ **NH's Juvenile Justice System**, NH Center for Public Policy Studies, December 2012
 - In conjunction with the above evaluation, the Endowment for Health partnered with the Children's Behavioral Health Collaborative to request an analysis of the existing juvenile justice system in NH at that time.
- ❖ **Technical Assistance Report**, National Center for Youth in Custody, August 2013
 - This report was the result of technical assistance requested by NH DCYF to inform the Report below regarding uses of the SYSC, specifically to evaluate the programs, practices and operations at SYSC to identify opportunities for improvement.
- ❖ **Disproportionate Minority Contact (Identification & Assessment) in NH Juvenile Justice**, NH Center for Public Policy Studies, June & September 2013
 - These two reports were contracted by the NH State Advisory Group on Juvenile Justice in order to help identify and assess disproportionate minority contact in NH's juvenile justice system.
- ❖ **Prison Rape Elimination Act (PREA) Audit Report of SYSC**, Benjamin Correctional Consulting, August 2014
 - This report was contracted by NH DCYF in order to provide a compliance audit of SYSC in accordance with federal PREA standards for juvenile correctional facilities, and examined a broad range of safety, education, policy and system responses to sexual harassment or abuse.
- ❖ **Juvenile Justice Evaluation**, Council of Juvenile Corrections Administrators, March 2015
 - This report was contracted by NH DHHS at Governor Hassan's directive that an independent, organization with national expertise to conduct a review of the Sununu Center and juvenile justice services, and to make recommendations on how we can improve our juvenile justice structure, management and policies.

Internal Reviews of the NH Juvenile Justice System in response to legislative directive

- ❖ **Report to Fiscal Committee of the General Court as to Most Appropriate, Cost-Effective, Long and Short-Term Uses of the Sununu Youth Services**, January 2014
- ❖ **Report to Legislative Committees of the General Court Regarding Services Provided to Juveniles by the State**, January 2015
